Continue Learning: BSM Action Workshop

Back Paddock believes that professional development (PD) is a journey, not something that ends when you complete your initial training. Ongoing PD is delivered via BSM Action Workshops and/or access to Back Paddock eLibrary.

These interactive sessions work through the tactical tools and strategic approaches locally relevant for each region; what, why, how, where & when. They include hearty discussions, case studies and plenty of time for Q&A.

- Interactive 1 day workshop to discuss and implement the latest knowledge in creating quality recommendations, while gaining some tips, tricks, ROT and pearls of wisdom from independent industry leaders for an agricultural segment.
- **Price:** \$500ex GST per participant as a stand-alone, or included in BSM Fundamentals
- **Upgrade** to 12 month BSM eLibrary subscription for an additional \$200 per participant
